EDUCATION

Rashtriya Raksha University (INI), Gujarat, India
Computer Science & Engineering (Specialization in Cyber Security)

2021 - 2025
CGPA - 8.68

Sophia Girls' School, Uttar Pradesh, India
12th ISC Board - 90% | 10th ICSE Board - 93%

2008 - 2021

EXPERIENCE

- I have been selected as my campus's **GOOGLE Developer Student Clubs (GDSC) LEAD** for the academic year 2023-24.

  July 2023 - Now
  GDSC RRU

- I have studied subjects like DBMS(Database Management System), DSA(Data Structures), Operating System(OS) , Linux Shell Scripting(LSS), Software Engineering, Computer Networks. And I am open to learning and gaining knowledge as I go along my path.

ACADEMIC PROJECTS

- **E-commerce Clothing Website**
  Using HTML, CSS, and JavaScript, a DBMS-based website that stores all the information like login info, purchase, invoice of the customers and in the database. In the backend I used PHP and MySQL.

- **My Portfolio**
  A briefly described portfolio website of myself where I included different sections like my introduction, skills, about, etc., using HTML, CSS, JavaScript, and Netlify.

- **Amazon Clone Scraper**
  Made an exact dupe of amazon website using **Django** to create a website, and **scraped** amazon data using Python Library Beautiful Soup. Used CSS for the frontend UI.

- **Travel App Project**
  A travel application using the **Flutter** framework and language including Dart. It has minimal functionalities, which show different places and a brief intro about them so the user can decide where to visit.

- **Memories**
  Made a web app using ExpressJs, NodeJs and Restful APIs in the backend where the user can keep track of their memorandums with date, description, hashtags & images, just like a personal diary.

SKILLS

- Lucid knowledge of **JAVA**, C, C++, Python, PHP, Dart (Flutter), Linux Shell Script
- HTML, CSS, JavaScript, SQL, Django, MongoDB, ExpressJS, ReactJS, NodeJS, Restful APIs
- Coherent knowledge of **Data Structures and Algorithms (DSA)** in JAVA
- I practice coding at LEETCODE. **Problem-Solving Skills**.
- Knowledge of Artificial Intelligence & Machine Learning (AI/ML).
- Graphic Designing, Content Writing - I write **blogs** on Medium & Hashnode.
- Did a certification course on Digital Marketing & E-commerce (Google) on Coursera.
- Great Management, Leadership and Public Speaking skills by being the LEAD of the GDSC RRU.

POSITION OF RESPONSIBILTY

- **Social Media Manager of RRU**
  Handled social media, worked as a volunteer, and managed the convocation event where **Hon' Prime Minister** was present as a **Chief Guest**.

- **Student Volunteer** (for **Army Chief Delegates**)
  Escorted the **Deputy Secretary NSCS** & got to know about their ideas and visions.
